

Monk Experience in Fumonji October 28th, 2017

10月28日、留学生20名と日本人学生1名が普門寺にてお坊さん体験を行いました。学生は地元の方と食事をしたり、お餅を作ったり、お坊さんと日本のお経を習ったりして交流を行いました。

学生たちはお坊さん体験に興味深いものであったと話していました。彼らは日本の独特な面をみることができました。多くの学生は日本の田舎と文化に浸ることのできる体験ができて嬉しそうでした。

On October 28th, 20 international students and one Japanese student participated in a Monk Experience event at Fumonji Temple. The students were able to communicate and eat with the local people, make fresh mochi, and practice a Japanese sutra with the temple monk.

Students reported that they thought the monk experience was an interesting place to go to. They were able to see a side of Japan that was truly unique. Many students were happy to be able to experience the more rural side of Japan and to be able to have a cultural immersion experience.
